

Introducing the New...

# Ready Grip Handle

From **Hide-A-Hose**

### LED Light

Green means signal sent to power unit, red means no signal sent.

### Comfort Seal Wand

Use the new comfort seal wand and eliminate up to 10% air loss.

**Battery**-Five-year life expectancy.

- **Rocker Switch**- Simple...on or off.
- **Lighter**- Up to 50% lighter than previous handle.
- **Soft Finish**- Feels soft to touch making vacuuming more comfortable.
- **Quick Connect**- Simple and fast handle-to-hose connection.
